GINGERBREAD DISCLAIMER AND COVID-19 PRECAUTIONS:

Parties may be seated at multiple tables. The table may be a high-top table. Seating availability is to management discretion.

Corporate commitment for the wellbeing for the guests and crew.

As we welcome you back to our restaurants in Boston, we are committed to providing you with a safe environment that aligns with expert protocols for working to defeat COVID-19. We have consulted our in-house team and outside experts in food safety, hygiene, and infection prevention. Our Hampshire House corporate team is redefining our cleaning and safety standards. We will actively monitor and evolve our solutions to ensure a continued focus on the health and safety of our guests and entire crew.

Public Spaces: Starting with our public spaces and high-traffic areas, we are going above and beyond our normal protocols. We are cleaning surfaces with increased frequency as recommended with the best available professional cleaning agents and electrostatic sprayers.

Hand Sanitizer: Hand sanitizing stations have being installed at restaurant entrances, at our designated front and back of house locations and in front of restrooms and meeting spaces.

Social Distancing: Signage in public spaces will remind our guests to maintain social distancing. We will be adding partitions at appropriate areas to provide an extra level of precaution for our guests and our crew members.
